## **A Study on Definitions in Foreign-oriented Chinese Idiom Dictionaries**

LIU Ruoyun & MA Li & TAN Qing

School of Chinese as a Second Language Sun Yat-Sen University Guangzhou 510275 China

**Abstract** Selecting two Chinese idiom dictionaries for foreigners and two for Chinese as study objects we contrast and analyze the words the contents and the methods to define words and find that the lexicographers of Chinese idiom dictionary for foreigners have noticed the special requirements of foreign students. However some aspects are far from ideal and need to be improved.

**Key words** foreign-oriented idiom dictionaries definitions
